BINDERS
Binders are for top level supervisory roles and include an overview of what each position entails and a process to briefly explain where their position fits into Reunification. Binders also contain materials for subordinates.

Supervisors must read their designated binder first, understand what is being asked of them, request needed staff from staging, and then conduct briefings of their own subordinates.

JOB ACTION SHEET
Binders contain Job Action Sheets for subordinates. The Job Action Sheets contain the Job Description and Checklist for the task and are located in the back of the binder in a pocket page.

ROLE ID BADGES
Role ID Badges display the role of the staff member on the front and contain a summary of job duties on the back. Some staff may only receive a Role ID Badge. For example: Greeters can be verbally briefed and can refer to their job duties on the back of the ID.

WRISTBANDS
Every Reunification Staff member should be issued a wristband during check-in at the Responder Staging Area.

Pink bands are used at the Reunification Site, Green bands are issued to the adults at the impacted site.
