Do you know what to expect during a school reunification?

At [SCHOOL/DISTRICT NAME], we use the Standard Reunification Method (SRM) to help reunite students with their parents or guardians when an event disrupts the normal school day. That could be a power outage, gas leak, flooding, or another situation that requires students to leave or prevents them from returning to the school.

What does reunification look like? What should you bring? And why is it important to follow the process?

Take a few minutes to watch this video from The "I Love U Guys" Foundation and get familiar with reunification before you ever need it.

Do you know what to expect during a school reunification?

Reunification can be needed for all kinds of reasons. A power outage, gas leak, flooding, or another situation that disrupts the normal school day.

At [SCHOOL/DISTRICT NAME], we use the Standard Reunification Method (SRM) to help safely reunite students with their parents or guardians when that happens.

Knowing the process ahead of time means one less thing to figure out when emotions are high.

Take a few minutes to watch this video and learn what to expect and what you can do to help the process go smoothly.

Do you know what to expect during a school reunification?

Reunification can be necessary after many different events, including a power outage, gas leak, flooding, or another situation that requires students to leave or prevents them from returning to the school.

[SCHOOL/DISTRICT NAME] uses the Standard Reunification Method (SRM) to help reunite students with their parents or guardians following an event at school. An important part of making that process work is helping our school community understand it before it's needed.

This video from The "I Love U Guys" Foundation gives parents, guardians, staff, and community partners a quick look at what reunification can look like, what to expect, and why following the process matters.

Take a few minutes to watch and get familiar with the process.
