

THE STANDARD REUNIFICATION METHOD Half-Day Seminar

An Introduction to the Standard Reunification Method

ABOUT THE STANDARD REUNIFICATION METHOD

The Standard Reunification Method (SRM) provides school and district safety teams with proven methods for planning, practicing and achieving a successful reunification.

ABOUT THE SEMINAR

The SRM Half-Day Seminar describes the types of events which might require a formal reunification of students with parents and guardians. It introduces the concepts and functionality of the Standard Reunification Method, the key principles and roles involved in the process, and the role that Incident Command plays in a reunification.

Participants gain a detailed overview and can apply the concepts to their own campus, analyzing the physical and personnel resources available, and begin to design and develop an effective reunification plan for their own school or organization.

WHO SHOULD ATTEND

Educators, Administrators, School and District Safety Teams, Campus Supervisors, Law Enforcement, Fire/EMS, Emergency Managers, Victim Advocates
